P.O. Box 3463, Shell Beach, CA 93448

Telephone: (805) 610-3949

Dear Resident:

We are pleased that you have chosen one of our apartments as your home, and we look forward to meeting your home-related needs for the future years.

Below is a list of IMPORTANT numbers that you may need to call during the time you are residing at your new address. These numbers include our office hours, emergency numbers, and the names and numbers of workers who have been pre-approved by the owners to do work on the premises.

As your rental agreement indicates, pre-approved licensed workers must do all work on premises, including maintenance areas that; **resident is responsible when causing or creating: drainage problems, damage or needed repairs.** If you prefer to use other licensed workers than those listed below, please first request written approval from the management/owners. Using non-approved workers is a violation of the rental agreement and grounds for termination of the agreement. Thanks for your cooperation in the matter.
